

One-Click™ Cleaner

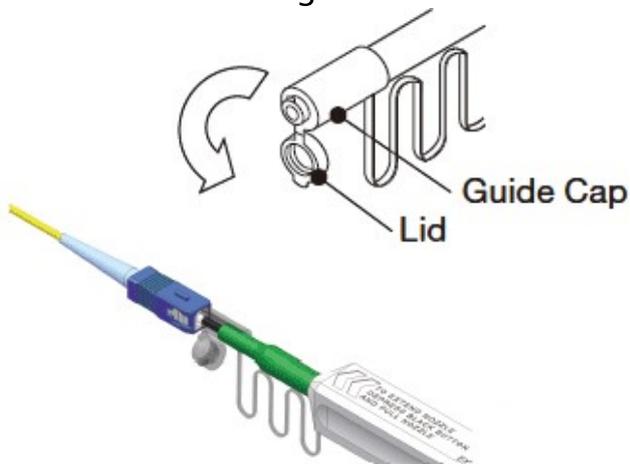

Product description

The patented (U.S. Patent No.: 7,212,719 & 8,087,118) Fujikura One-Click™ Cleaner allows removal of dust particles and oils, from the critical ferrule endface of fiber optic connectors, with one-push mechanical action.

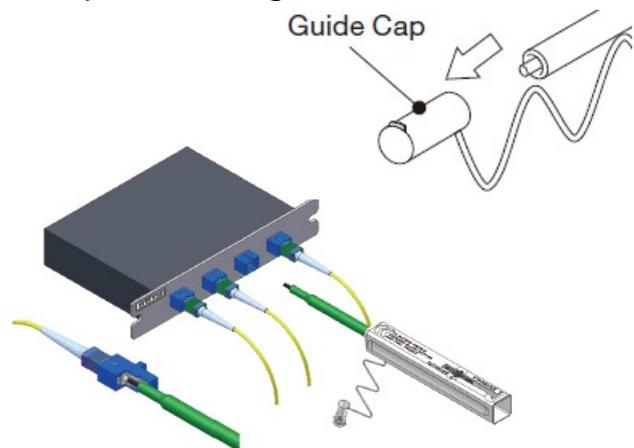

Features

- Guide cap works with both connectors & adapters
- Dry-clean ferrule endface
- Built-in rotating action
- Always cleans with fresh cleaning material, preventing contamination
- Cleans ≥ 500 times

Connector Cleaning

Adapter Cleaning
