# Fibre Optic Cable Assemblies

#### **Product description**

Fibre Optic Cables Assemblies (including patchleads, patchcords, jumpers & pigtails) are factory terminated for consistent quality and performance, and used in applications such as FTTx, central office and datacenters for connecting optical communication equipment or networks.

#### Features

- Manufactured to meet relevant quality, optical performance, intermateability and durability standards like Telcordia standard GR-326-CORE
- Individually packaged and labelled for protection, test data and traceability

#### Specifications (Typical)

ltem		Content	
Connector types		SC, LC, FC, ST	
Optical performance	Multi mode @ 850 nm	Single mode (UPC) @ 1310 nm	Single mode (APC) @ 1310 nm
Insertion Loss	$\leq$ 0.30 dB	$\leq$ 0.30 dB	$\leq$ 0.30 dB
Return Loss	-	$\geq$ 55 dB	$\geq$ 65 dB

#### Please contact us directly for any additional or higher specifications not listed here.

Fujikura Asia Limited 438A, Alexandra Road #08-03 Block A, Alexandra Technopark, Singapore 119967 http://www.fujikura.com.sg

Specification	3	GREE	N	7	R	ED	11		ROSE		
	4	BROV	/N	8	BL	ACK	12		AQUA		

## Optical Fibre Patch Cords

## ORDERING INFORMATION

#### Optical Fibre Cable Assemblies (for 1 to 2 fibre cables)

Please contact us with your requirements directly. Below is a guide to help you specify Simplex (1F) and Duplex (2F) patch cords:

Length

Specification	Options																	
Construction	Simplex Duplex																	
Cord Jacket Size	250 μm	90	)0 μm m co					mm cord			3mm zipcord							
Connector 1 / 2	S	C	L	LC		ST		ST FC DSC		ST FC [		FC		FC		DSC		_C
Polish type	UPC	APC	UPC	APC	UPC	-	UPC	APC	UPC	APC	UPC	APC						
Length						In metre	s (m)											
Fibre grade	9	5M		OM1		O	M2		OM3		OM	4						
Cable Option	PVCLow Smoke ZeroPlenum Rated(Standard)Halogen (LSZH)						I											
Other	<ul> <li>Any other requirements not listed, for example:</li> <li>Low Loss connectors (example &lt; 0.15 dB)</li> <li>Duplex LC boot options</li> <li>Nonstandard cable sizes or materials</li> <li>Specific optical fibres and grades</li> </ul>																	

# MPO Cable Assemblies

#### **Product description**

MPO cable assemblies provide high-density optical fibre connections, in applications such as FTTx, Central Offices & Datacenters. Where appropriate, breakout assemblies may also be specified for compatibility with older or less dense fibre architecture.

#### Features

- Manufactured to meet relevant quality, optical performance, intermateability and durability standards like Telcordia standard GR-326/GR-1435
- Individually packaged and labelled for protection, test data and traceability
- 12 to 144 fibre cables

#### **MPO Connector Specification**

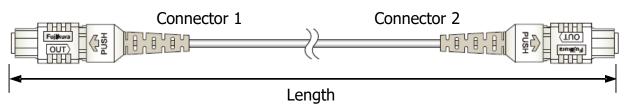

ltem	Content							
Connector types	12F MPO, 24F MPO							
Optical performance	Multi mode	12F Single mode (APC)	24F Single mode (APC)					
Insertion Loss (Low–loss type)	$\leq$ 0.30 dB	$\leq$ 0.25 dB	$\leq$ 0.35 dB					
Return Loss	-	$\geq$ 55 dB	$\geq$ 55 dB					

Fujikura Asia Limited 438A, Alexandra Road #08-03 Block A, Alexandra Technopark, Singapore 119967 http://www.fujikura.com.sg

## MPO Patch Cords & Pigtails

## ORDERING INFORMATION

#### MPO Patch Cords & Pigtails

Please contact us with your requirements directly. Below is a guide to help you specify MPO Patch Cords:

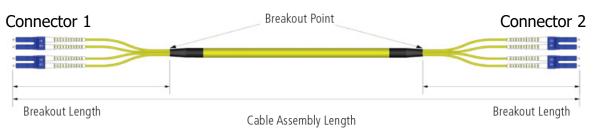

Specification	Options							
Fibre type	Single mo	ode fibre type		Multi mode fibre type				
Connector 1 & 2*	12F MPO	24F MP	12F MPO		24F MPO			
Polish Type		APC		UPC				
Length	In metres (m)							
Pins	Male (with pins)				Female (no pins)			
Coupling Colour	Standard				Custom			
Fibre grade	SM	OM1	O	M2	OM3	OM4		
Cable type	12F	Ribbon		12F 3 mm Cordage				
Cable grade	Plenum (Standard)	PVC		Riser		Low Smoke Zero Halogen (LSZH)		
Polarity	Straigh		Crossover					
Other	<ul> <li>Any other requirements not listed, for example:</li> <li>Different polish / loss requirements</li> <li>Cables with other fibre counts or jacket colours</li> <li>Specific optical fibres and grades</li> </ul>							

\*For Pigtails, only 1 connector need to be specified.

# Breakout Cable Assemblies

## ORDERING INFORMATION

#### Breakout Cable Assemblies

#### Please contact us with your requirements directly. Below is a guide to help you specify Breakout Cable Assemblies:

Specification	Options								
Connector 1 & 2	SC	DSC	LC	D	LC	ST	FC		MPO
Polish Type	UPC APC								
Other Connector Properties	<ul> <li>Any other requirements not listed, for example:</li> <li>Different polish / loss requirements</li> <li>MPO: Male / Female</li> </ul>								
Lengths	Cable Ass	In metres (m): • Cable Assembly Length • Breakout Length 1 / Breakout length 2							
Oversleeving	<ul> <li>For the breakouts on each side, fibers may be additionally protected between the breakout points to the connectors on each side</li> <li>None</li> <li>PVC Tubing</li> <li>2 / 3 mm Colour Tubing</li> </ul>								out points
Fibre grade	SM		OM1	OI	M2	OM	3		OM4
Cable Fibre Count	4F		6F	8	ßF	12	12F		24F
Cable type	<ul><li>Riser</li><li>Round Mi</li><li>Etc</li></ul>	ni 3 mm							
Cable grade	Plenum (Sta	Indard)	PVC			Riser			noke Zero en (LSZH)
Polarity	Straig	nt-through	ugh Crossover Pair Flipping						ing
Other	<ul> <li>Any other requirements not listed, for example:</li> <li>Cables with other fibre counts (example &gt; 24F), grades or jacket colours</li> <li>Specific optical fibres and grades</li> <li>Cable Drum (for &gt; 40 m assemblies)</li> </ul>								

Please refer to Fibre Optic Cable Assemblies & MPO Cable Assemblies for specifications of the various connectors

# **Optical Fibre Adapters**

#### **Product description**

Optical fibre adapters are used for mating various optical fibre connectors. All major connector interfaces are offered.

#### **Features**

- All colours supported
- Simplex & duplex versions
- Flanged & flangeless versions
- Typical materials:
  - ABS body
    - Ceramic C-sleeve inserts
    - Metallic clips

#### **Optical Fibre Adapters**

Please contact us with your requirements directly. Below is a guide to help you specify Optical Fibre Adapters:

Specification	Options								
Adapter Type	S		LC			FC	MPO		
Adapter Type	Simplex	Duplex	plex Simplex		Duplex	-	-	-	
Colour (Typical)	Blue (UPC	C) Green			Aqua Iti mode)	Metallic	Metallic	Black	
Flange	Flanged					Flangeless			
Clip		With cl	ip			Without clip			
Other	<ul> <li>Any other requirements not listed, for example:</li> <li>Additional colours</li> <li>Adapter materials</li> <li>Custom fit or metal clip design</li> <li>Hybrid types (SC to LC, etc)</li> </ul>
